

WELDER TRAINING & CERTIFICATION

**FROM WORKSHOP TO WORKFORCE:
WELDING CERTIFICATION MADE EASY**

Want to Get Certified & Start Welding Fast?

At Urban Workshop, we don't just teach welding—we prepare you for the job market. **Our hands-on programs provide industry-recognized certifications**, including American Welding Society (AWS) and LADBS Testing, so you can gain the credentials that matter, not just a basic certificate. Whether you're new to welding or advancing your skills, we offer fast-track, job-specific training with extra practice time through our membership. Enjoy flexible scheduling, discounts on materials, and access to additional courses—all designed to help you succeed in the welding industry.

INVEST IN YOUR FUTURE

Become a certified welder in weeks with our fast-tracked professional welder training programs.

SAVE TIME AND MONEY

Personalized training, on your schedule, five days a week. Focused learning means you're not paying for extra sessions.

START WORKING

Enter the workforce sooner, compared with programs at community colleges and trade schools.
